12 midnight	Eccentric Research Council feat Maxine Peak

www.facebook.com/3rdhalf • www.facebook.com/TheMightySieben • www.facebook.com/tdroa • www.facebook.com/TheEccentricResearchCouncil

HOPE WORKS

Mapping Creativity is a 3D projector mapping art installation and music event in Hope Works Sheffield curated by Lo Shea and part of the 2016 Year Of Making. It's purpose is to showcase and celebrate the wealth and diversity of talent we have in Sheffield in art, design and music and to do it in a non standard format, in real time in a clubbing environment. We shall dance to the sound of Sheffield musical artists while we watch the makings of our makers.

Music starts from midnight.

STAGECOACH SUPERTRAM

Expect a Sheffield legend telling you the next stop on the tannoy all the way to Meadowhall! Great local Sheffield bands busking up & down the trams in Sheffield from the University to the main train station.

9am	Liberty Ship
10am	Lily Gaskell
11am	Ethryll
12pm	Extreme Cello
1pm	Extreme Cello & Crimes Against Taste
